Swedish

Traditional massage that involves stroking and pressing the soft tissues of your entire body in order to induce a state of total relaxation

Shiatsu Massage

Japanese traditional form of physical therapy that involves pressure on the acupuncture points in order to balance the body's energy and promote good health. No oil is used.

Touch Signature Massage

Method of healing by massaging the body using the essential oils that are extracted from plants. Choose an essential oil for its therapeutic effects, the beauty of a fragrance or both. We also blend essential oils for harmonious combined effect to promote calmness, skin healing, blood pressure balance, muscle pain relief and more.

Hilot Traditional Massage

HILOT is an ancient traditional Filipino massage based on the Universal Law of Nature. It uses banana leaves to determine energy flow obstruction, hold changes in the temperature and prevents external factor like cold and wind from entering the body. Sometimes, virgin coconut oil or olive oil mixed with different scents is used for the massage.
